### **2. Coaches Request – Weight Room Project Presentation (Rob Williamson)**

Rob Williamson presented a plan to renovate the weight room and replace outdated equipment. He worked with Bob Block Fitness to assess the needs of the students and athletes and design a more functional weight room. The estimated cost is \$12,000. St. Vincent's has offered \$2,000 seed money to begin the project.

Rob has also been working with the Sheridan Recreation Board in an attempt to acquire grant money through the Payback Foundation.

Club members discussed the benefits of updating the weight room, not just for the athletes, but for all of the students and community members in Sheridan. The members felt they would like to devote their fund-raising efforts to this project.
